Purpose of the Position: Under direct supervision and in a training status, learns to perform environmental health inspections of on-site wastewater systems, nuisance complaints, and Body Art facilities for Cobb & Douglas Public Health and recommends monitoring and corrective/enforcement actions as needed. Investigates complaints and provides environmental health education and technical assistance to the general public, regulated community, and officials. Assists in the implementation of a countywide program for compliance monitoring, enforcement, and corrective action in conjunction with environmental health laws, rules, and regulations. May serve as a compliance officer and liaison between the Public Health agency, facilities, municipalities, institutions, organizations, and county and state agencies. Learns to interpret Local, State, and Federal environmental health laws and regulations This is the entry level for the Environmental Health job series. Incumbents in the job may require additional training or experience to attain full proficiency in some or all job responsibilities. This position works to promote and protect the health and safety of the residents of Cobb and Douglas Counties.

Essential Functions, included but not limited to:

- Performs Job responsibilities with minimal supervision.
- Document all activities related to evaluations, complaints, repairs, and inspections by using addendum sheets, State tracking software system and daily activity logs. To be completed daily for use in customer requests and inquiries, legal issues and change in case responsibility.

Minimum Qualifications: Bachelor's degree from an accredited college or university which includes the completion of 27 semester hours (or 40 quarter hours) in laboratory sciences (e.g., chemistry, biology, geology, physics, etc.).

Preferred Qualifications: Master's degree in environmental health, public health, or laboratory science. Current Registered Environmental Health Specialist credential. Current standardization for food service inspections. Current Certified Food Safety Manager and Trained Pool Operator certifications. Communication and customer service skills

Work Conditions & Physical Demands: A combination of office and fieldwork. Office work entails data entry, filing, and customer interaction both in-person and via phone. Fieldwork involves outdoor inspections and requires sufficient mobility to move through construction sites with heavy equipment and in heavily wooded environments. Inspections primarily take place outdoors throughout the year. Lifting items during normal work should not exceed 25 pounds.

Salary Information: \$43,903.00 Annually / Pay Grade I

Applications Accepted: May 17, 2023 – Jun. 8, 2023
